“Daily immersion in the word of God is crucial for spiritual survival, especially in these days of increasing upheaval.

“As we feast on the words of Christ daily, the words of Christ will tell us how to respond to difficulties we never thought we would face.”

The new home-centered, Church-supported integrated curriculum has the potential to unleash the power of families, as each family follows through conscientiously and carefully to transform their home into a sanctuary of faith. I promise that as you diligently work to remodel your home into a center of gospel learning, over time *your Sabbath days will truly be a delight*. *Your children will be excited to learn and to live the Savior's teachings*, and *the influence of the adversary in your life and in your home will decrease*. *Changes in your family will be dramatic and sustaining*.

Church-supported Gospel Learning and Teaching

Elder Holland:

“The most fundamental of all requirements of Gospel teaching—is teaching by the spirit.”

“We get the spirit in great measure, by living the Gospel and by deserving such a gift when we ask for it.”

“Integrity demands that every teacher live consistently with the doctrines and principles that he or she is trying to teach.”

Conversion(not Coverage) is our goal

The aim of all gospel learning and teaching is to deepen our conversion to Heavenly Father and Jesus Christ and help us become more like Them.

This means relying on Heavenly Father and Jesus Christ to help us change our hearts, our views, our actions, and our very natures.

Gospel learning that leads to true conversion requires the influence of the Holy Ghost.”
